**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because the other two big providers are too expensive. Only having Comcast and AT&T would make internet access out of reach for my household. I had both Comcast and AT&T in the past and neither were a positive experience. Price hikes, slower than advertised speeds, hidden charges, terrible customer service are just some of the negatives experienced.

I rely on broadband for my business as well, which is home based. I've been waiting for years for fiber, or at least faster cable internet that's not Comcast.

I support broadband competition. Please do not take it away.

Thank you
